$2012 \hbox{-} 07$  Rev. 2017-03

## **Application consideration**

## RCB0187: OLHE-131

Please keep in mind the following points:

- 1. This cell line grows slowly.
- 2. Please do not plate the cells at a low density.
- 3. Please thaw the cells quickly at 37°C, however note the incubation temperature is 25°C.
- 4. Please use a flask possessing a cap without a filter and tightly screw a cap during culture.
